

BOTANICAL COMPLEX FOR VETERINARY USE IN PETS

## **A natural solution to improve and protect the canine digestive system**

100% natural product based on Artichoke, Beet and Boldo extracts.

**A 100% natural line to improve  
quality of life of your pet.**

## What is **Pet Basel<sup>®</sup> Digestive**?

It is an innovative natural treatment designed to restore and maintain your pet's digestive health. Its exclusive formulation combines powerful, carefully selected botanical extracts and vitamins, developed with the most advanced phytotechnology. Contains:

- **Artichoke Extract** (*Cynara scolymus*): Promotes the production of bile, optimizing the digestion of fats and improving the absorption of nutrients.
- **Beet Extract** (*Beta vulgaris*): Rich in fiber, it promotes regular intestinal transit and strengthens the health of the intestinal microbiota.
- **Boldo Extract** (*Peumus boldus*): Its digestive and anti-inflammatory properties relieve gastrointestinal discomfort.
- **Vitamin B complex**: It is essential for energy metabolism and nutrient absorption, contributing to optimal health.

The synergy of these natural ingredients makes **Pet Basel<sup>®</sup> Digestive** an effective solution for a wide range of digestive and gastrointestinal problems, improving your dog's quality of life in a natural and safe way.

## To what **Pet Basel<sup>®</sup> Digestive**?

Indicated to improve and protect the digestive system in canines of all ages and breeds that present symptoms of decreased appetite, weight loss or gastrointestinal problems, such as colic, diarrhea and/or vomiting. It is also effective in reducing intestinal inflammation and relieving symptoms in cases of acute or chronic gastroenteritis, exocrine pancreatic insufficiency and other inflammatory bowel diseases.

## Why **Pet Basel<sup>®</sup> Digestive**?

Its powerful combination of active ingredients of plant origin strengthens the animal's digestive system, increasing its resistance and enhancing its vitality naturally.

Used preventively, it generates a protective barrier that helps prevent secondary infections.

*Pure health and natural vitality!*
