

BOTANICAL COMPLEX FOR VETERINARY USE IN PETS

## **A natural solution for comprehensive internal parasite protection in Dogs**

100% natural product formulated with Pumpkin Seed Extract, Pomegranate Peel Extract, and Wormwood (*Artemisia absinthium*).

**A 100% natural line to improve  
quality of life of your pet.**

## What is **Pet Basel<sup>®</sup> Antiparasitic**?

It is an innovative natural dewormer designed to eliminate and prevent intestinal parasites in pets. Its exclusive formulation combines carefully selected botanical extracts, developed with the most advanced phytotechnology. With its potent anthelmintic and purgative properties, it effectively and safely combats internal parasites. It contains:

- **Pumpkin Seed (*Cucurbita pepo*):** Rich in cucurbitacin, a bioactive compound with antiparasitic properties that weakens and expels intestinal parasites such as tapeworms and roundworms. It supports the natural elimination of parasites through the digestive tract without causing adverse effects on the dog's health.
- **Pomegranate Peel Extract (*Punica granatum*):** Traditionally used for its antioxidant and antibacterial properties, this extract is also recognized in phytotherapy for its antiparasitic action, thanks to alkaloids like pelletierine. It helps improve intestinal health, strengthen natural defenses, and create an unfavorable environment for parasite proliferation.
- **Wormwood (*Artemisia absinthium*):** A well-known botanical with anthelmintic and purgative effects, effective in eliminating various intestinal parasites such as pinworms, roundworms, whipworms, and hookworms. It also prevents reinfestations, ensuring long-term protection.

The synergistic action of these natural ingredients makes **Pet Basel<sup>®</sup> Antiparasitic** a highly effective solution for both treating and preventing a wide range of internal parasites, ensuring your dog's health, vitality, and overall well-being.

## To what **Pet Basel<sup>®</sup> Antiparasitic**?

Indicated for the elimination and prevention of intestinal parasites in dogs of all ages and breeds. Its natural action combats tapeworms, roundworms, and other helminths, promoting intestinal well-being and supporting nutrient absorption. Additionally, it strengthens the immune system and helps maintain a healthy digestive balance, providing long-lasting protection.

## Why **Pet Basel<sup>®</sup> Antiparasitic**?

Its exclusive combination of plant-based active ingredients offers a natural and safe alternative to conventional chemical dewormers. It effectively combats internal parasites, helps prevent their recurrence, and promotes the overall well-being of the dog.

*Pure health and  
natural vitality!*
