

BOTANICAL COMPLEX FOR VETERINARY USE IN PETS

## **A natural solution to improve and protect the feline digestive system**

100% natural product based on extracts of Basil, Thyme, Rosemary and Polyphenols.

**A 100% natural line to improve  
quality of life of your pet.**

## What is **Pet Basel® Digestive**?

It is an innovative natural treatment designed to restore and maintain your pet's digestive health. Its exclusive formulation combines powerful, carefully selected botanical extracts and polyphenols, developed with the most advanced phytotechnology. Contains:

- **Basil Extract** (*Ocimum basilicum*): Promotes the digestion of fats and the absorption of nutrients thanks to its eugenol content, a compound that stimulates bile secretion.
- **Thyme Extract** (*Thymus vulgaris*): Rich in polyphenols with antioxidant and antimicrobial properties that help fight pathogenic bacteria and stimulate the growth of beneficial bacteria in the intestine. Collaborates in improving intestinal motility.
- **Rosemary Extract** (*Rosmarinus officinalis* -Diosmin, Apigenin, Triterpenes): Contains rosmarinic acid, a compound with anti-inflammatory and spasmolytic properties that help relieve gastrointestinal discomfort. In turn, it protects the gastrointestinal tract from damage.
- **Polyphenols**: They contribute to the improvement of energy metabolism and the absorption of some nutrients.

The synergy of these natural ingredients makes PET BASEL® DIGESTIVE an effective solution for a wide range of digestive and gastrointestinal problems, improving digestion, nutrient absorption, intestinal health and your cat's quality of life naturally. and safe.
