Basel
SUNSOOTHE®

The essential for your skin!

SUNSOOTHE® - Lotion to Hydrate and Refresh the Skin is a revolutionary product for the cosmetic market, combining carefully selected herbal ingredients (extracts of St. John's Wort Perforatum, Shymphytum Officinalis and Chamomilla Recutita) with the highest Phyto-Technology.

Designed to reinforce the skin's natural defense and treat minor burns, sunburns and other skin injuries.

Ideal for **preparing and protecting the skin barrier** against seasonal temperature changes, travel and/or in closed areas (use of heating, underfloor heating, air conditioning) that can cause dry mucous membranes and dehydration.

Its powerful anti-inflammatory and analgesic action effectively relieves pain, irritation and itching, while helping to speed up the healing process. In addition, it provides an immediate desensitizing and ultra-moisturizing effect, leaving the skin soft and protected.

SUNSOOTHE® has multiple benefits: Skin desensitizer, anti-inflammatory and antipruritic - Regenerative and Epithelial Protector.

Its soft and light formula is quickly absorbed into the skin, leaving no stains or residue. In addition, it provides intense hydration that lasts all day, keeping the skin plump and strengthened.

COMPREHENSIVE PROTECTION FOR HEALTHY SKIN ALL YEAR ROUND

Developed by Basel- Phytotherapeutic Medicinal Laboratory. All our products are made with certified raw materials, free of pesticides and under strict hygienic-sanitary conditions, ensuring quality and excellence.

PROVEN EFFICACY – VISIBLE RESULTS

- Relieves pain, irritation and itching caused by minor burns and other skin injuries.
- Reduces inflammation and redness.
- Ultra moisturizing, regenerative and protective properties.
- It favors the repair of damaged tissue, accelerating the healing process.
- Helps maintain the health and natural beauty of the skin by improving its defense capacity.
- It is effective in preventing premature aging, fighting skin infections, and reducing the risk of developing skin cancer.
- 100% vegetable product – Does not contain alcohol or dyes.
- Dermatologically tested. Suitable for all skin types, without intolerances or restrictions.

SUNSOOTHE® – Lotion to Hydrate and Refresh the Skin

Powerful botanical complex designed to desensitize and give resistance to the skin, maintaining its natural defenses. Its daily use reinforces the skin barrier, protecting the skin from external aggressions such as free radicals and UV rays.

The perfect complement to show off hydrated and revitalized skin all year round.

HOW TO USE: Apply generously over the entire body and face, 3 or 4 times a day. Massage gently until completely absorbed.

PRECAUTIONS: Protect from direct sunlight, so as not to alter the properties. External use. Do not eat. This product was not formulated for use in children. Keep out of their reach. In case of contact with eyes, wash with plenty of water.
